“ Dear God,

We pray for Olivia's family, please comfort them in their grief and loss, cover them with your peace and presence, as only your Spirit can do.

We know that in whatever we face, you are our Peace and Refuge, a very present help in times of trouble. Thank you that you remind us throughout your Word, we do not face the storms alone, but you are always with us. Whispering calm. Speaking peace. Bringing rest to our souls.

We confess our need for you. We ask you to forgive us for trying to figure everything out on our own, for not trusting that you are more than able and powerful to work on our behalf. Forgive us for picking back up what we already determined to lay down at your feet. Give us the ability to trust you more, give us a heart that finds rest in your presence, give us the wisdom to seek peace and pursue it, remembering it's only to be found in you alone. May Olivia's spirit rest in peace eternally.

“ *She was the best teacher literally when it came to teaching she was dedicated and she never gave up on her students she made sure we knew that giving up on us was never the plan she always told me I’m gonna graduate and get outta there with a diploma and I did just that she made sure that she instilled something about GOD in all of her students and she was really strict on grades and had a very humble and warm heart ❤️ she will definitely be missed and she was one of a kind it’s not many like her*

“ *Aunt Peggy, the news of your transition shocked & saddened me. As a Christian, I know you're in a much better place, but it doesn't alleviate the awful feeling in the pit of my stomach. Beautiful, intelligent, kind & loving are words that come to mind when I think of you. My heart & prayers are for my uncle, cousins, your students & everyone who knew & loved you. My last communication with you was on February 1st via Facebook Messenger. We both closed with "I love you". I will cherish that conversation & my memories of you. May God bless your soul. A soul and love...NEVER dies. Your niece in New York, Reka ❤️*

“ I had the pleasure and good fortune of working with Olivia at Highland Park Renaissance Academy. She was full of knowledge, made me smile every day, and was a caring soul. She loved working with the children, and they were lucky to have her as one of their teachers. I will miss her laugh.
