“ 50 years of secrets shared. From going to Sunday School with bows in our hair, to getting our first pair of stockings and shoes with block heels in the 70's. To you teaching me how to drive a car with a stick and us having babies in the 80's. To chasing boys and other shenanigans in them streets – and moving to our 1st apartments as single mothers. To throwing the BEST cabarets in the 90's - as our self-titled “Prestige 9” social club. To being inspired by your 21st Century focus on God's word & promise.

You my love... My sister... Were So Loved
