“ *"She was truly a Proverbs 31 woman!!!!!"*

My aunt know how to make a bowl of Jell-O taste like a moist chocolate cake

She could take a can of tuna and make a WONDERFUL tuna cassorole to feed her five children. I always could count on a balance meal when I went to her home. I could not wait to see what she had prepared.

She would canned fruits, and vegetables during the summer, and fall preparing for the winter months

I watched her in my early teen years, jiggling work, being a Susie homemaker. It was very important to her that her children have a nutritional meal while she was away at work.

I will trully miss her, I am gratefull for the wonderfully memories.

“ Mrs. Campbell and I (Brenda) were elders at United Christian Church together. She was always the mature one with words of wisdom and encouragement. She had great faith in God and love for the youth. She helped the church establish after school and tutorial programs to help the children with their homework and have wholesome, Christian activities during times when they would have been unsupervised.

Blessings to her family and friends. She will be missed, but we look forward to being with her again where Jesus promised he will wipe every tear from our eyes and there will be no more death!
