“ *Mrs. Ora Pettway leaves a legacy of sophisticated role modeling of a woman with outstanding skill in many facets of her life. She was always proud of her assignment as a Quality Control Inspector at Ford Motor Company. In addition, she had a cadre of special skill in cooking, catering, sewing, hat making, fashion & design, home decorating, landscaping & gardening, event planning, real estate etc. You name it and Ora could do it and also advise you how to be successful with it. She had a great personality and was a mentor to all who chose to be around her. We learned a lot from Ora through the years and will miss her so much. We remain forever grateful for the many kind acts and wise words she provided us for over five decades.*

Rest In Peace

Fondly,
