*Hello Anthony, I'm Kimm
I knew Orlando back in days. I'm from Michigan, moved away years ago. I just found this and I had no idea, we lost contact and when I last spoke to him he did tell me that he had heart surgery and that he wasn't same man he was when I had met him and that he was in a relationship, so I had not talk to him since. He was such a beautiful person. So sorry to see this now. Please if you knew him and was a good friend of his, can you contact me, I would like to know what happened. Not sure if he got married but when he told me he was with somebody we just lost contact. I've always wanted to know how he was doing after we last talked. Kimm 310-334-9839
I was about to plan a trip there to visit fam next month and something had me pull up his name to look if I could find a phone number for him. Sad. Thanks for your time.*
