“ Dang Manson I don't know what to say but that you was a Real Trooper you fought and you fought hard. I know cause I was there from the beginning to the end. I remember when I took you to to the hospital and you founded out what was wrong. We prayed and prayed and prayed. I ask God to please make it right and you looked at me and said" It's okay I'm going to be alright cause we are from 8 mile" and we laughed so hard even though you was in pain. One thing I know for sure you are with God and you let it be known God is your saviour so for now I won't say Good-bye but I will say I'll see you again.
Rest Now Rest
