“ *To Marlin and Wells Family,  
Sorry to hear of the lost of your father. Earth has no sorrow that  
heaven can't heal. I still have pictures of you and your Dad smiling  
together the last time we were together at Northwest C.O.G.I.C.  
(from the program of former members). I apologize that I'm not able  
to attend the funeral, my mom received incorrect information  
regarding arrangements (viewing / funeral). Always remember how  
much of a blessing it was for God to allow you to spend 84 years  
with your father, He got what God promised (3 scores and ten) and  
some. Our prayers are with you and your family.*

“ *Our prayers are with you, that God grants you  
strength as you celebrate the home going of  
Uncle Mac. Uncle Mac was very dear to our  
family and embraced us as his own family.  
Yes! He was our Uncle Mac too.*
