Loretta and family, my heart is with you during this very difficult time of grief. I know God is with you as He carry you, strengthen you, and give you peace. You served your Mother with so much love, you gave of yourself and never complained. You honored her! God saw fit to release her to his Angelic staff who will forever cater to her like the Queen she was and is! She will always live on in our hearts and our smiles....because that is who she was...a loving, caring, and victorious woman of God! She is not that far away!
