“ *To The Bereaved Family, my thoughts and prayer are with you all at this time of mourning. I know that your hearts are aching and that you are hurting, but let not your heart be troubled. For our God is in control. I wish above all things right now for peace and comfort to be among you all. I will never forget when I first met you "Pam", you were full of joy, you always appeared to be at peace, your beautiful smile will always be embedded in my memory. Your kindness, and the unselfish love that you showed people around you will always be cherished. I thank God, for letting me run into you when he did, not knowing it would be my last time seeing you. You were a dedicated Nurse, and helped many of the sick and disabled. I'm sure that your "Works", will be a reward for you in heaven. Sleep my precious Angel, and rest forever in peace. I will always remember you Pamela Denise Shepard. God bless your mother Barbara, your brothers both Kenneth & Randy, and especially her precious daughters and her grandchildren, I love you all. With love.*
