“ *I miss you so much cousin... All I can think about is your smile and laugh. Ma Ma keep asking me when she is going to see Pap again . I remember when you and Cord used to come to Mississippi. I never told one but when I was little I thought you and Cord was twin. Life is so weird without you. Things don't even feel the same. You will forever live in my heart big cousin. I love you so much cousin...*

“ I still remember th first day I met you. You followed me to the bus stop (even doe you deny you was following me lol) and then asked for my number and asked if I needed a ride to where I was going I said no but gave you my number. You called a month later and from that moment we talked everyday. You blessed me with my first child and for that I thank you. Our son looks just like you and idolize you so much and if I can raise him to be at least half the man and father you was I'll be blessed. Pap Amaji and I love you and miss you so much and I'll never forget you and neither will our son..❤️💔😭😞
