“ *I didn't know Pat very well but my fondest memories of her is when the Karate Club would have parties, this lady would be dressed to kill in her Red dress.... That was made just for her and she would greet you with a hug and the biggest and brightest smile. She was always ready to party but what made her the happiest was her love for her Husband who seemed to be her best friend and the love she had for her kids..she was all about family. Rest in peace and love, Pat.*
