“ Pat was a long time caretaker for my sister, Kathy Hardoin. She helped Kathy in so many ways but she also helped me, driving Kathy to me and picking her up for me when I wasn't feeling as well. She was also a listening ear and a good friend. She was such an important part of Kathy's life and ours.

Pat's family became a part of our family and were always welcoming. Robert would spoil Kathy, sneaking her a bag of candy to take home. They all loved her and I am so grateful for that and to all the carers she's had over the years who took extra time with Kathy.

Pat shared this photo with me one day and said they were taking family pictures at the picnic and Kathy saw it and moved in to be a part of it. She just knew she was family! It just tickled Pat so much, she couldn't stop chuckling about it.

We had just celebrated Pat's birthday on June 14th by having lunch together at our house. She even watched Kathy for me so I could do some errands. She looked so good and seemed to be feeling well. Pat kept telling me to call her now that she was retired and she could come out and help me with Kathy. It was just such a shock to hear she passed.

I am comforted to think that when Kathy does take leave of this Earth, Pat will be there to guide her, along with our family and friends. I know she touched many people and kept in touch with so many of her clients, even after she stopped working directly with them.

My prayers are with all who were connected to Pat and knew her. She has such a beautiful spirit. We will miss her immensely.

I want to send my love and thanks to the family for being so good to

us for all of these years. You are still family and welcome to reach out at any time.

“ *I also want to share my last memory of Pat, she was so beautiful as always the last time I saw her, we planned to go out to have lunch and she kept saying put it down on your calendar. 7/21 was our date it plays over and over in my head. My condolences to the family and you're in my prayers.*

“ Pat it was a pleasure meeting you and more than that getting to know you. Your heart for care giving went beyond the duty of your job, it reached out to friends as well too. You will be greatly missed. Love you forever 💕

“ Miss. Pat was a dedicated caregiver who went above and beyond in her duties. She cared for and cared about the people entrusted to her. Her heart was in her work. Miss. Pat will be missed but the love she gave will be forever in our hearts.
Thank you God for sharing Miss Pat with us. We are better for knowing her and Gregory's quality of Life was much improved by her presence.

“ Pat cared for our sister Kathy over the years as if she were her own. She was an anchor for Kathy and a trusted staff member. Although our sister is no longer in the group home, Pat came to visit her recently. It meant so much to Kathy to see Pat and share lunch with her. Words cannot convey the depth of our appreciation. Rest in Peace Pat. May God hold your family with the same care and comfort you have expressed to your clients over the years.
