

## Ms. Patricia Ann Frazier

October 23, 1945 - September 29, 2015

In Remembrance Of Our Beloved Patricia Ann Frazier:

To everything there is a season, and a time to every purpose under the heaven: A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted; A time to kill, and a time to heal; a time to break down, and a time to build up; A time to weep, and a time to laugh; a time to mourn, and time to dance. Ecclesiastes 3:1-4

### History

Our mother, Patricia Ann Frazier was born October 23, 1945, to Frances Frazier Barnheart and Edger Luvert in Bessemer Alabama.

Patricia accepted Christ at an early age and later became a member of the Christian Science Church. She proudly told every one of the feeling and strength she derived from Christ. She was educated in the Alabama and Virginia Public School systems.

Our mother relocated to Detroit, Michigan where she became the proud mother of two children Francine and Brian Frazier whom she nurtured and adored. Additionally, mom furthered her education at Highland Park Community College.

### Persona

Patricia "Nana "or "Boot" as affectionately called by family and friends had a very caring and angelic personality. She was an extraordinary mother and

grandmother. We honestly do not know how We can adequately describe our mom with words. She lived her life in the most positive way. She saw the good in everything and encouraged others to do the same. Her actions and the incredible examples that she showed her children and grandchildren are behaviors that should be emulated by all of us. She was a true role model. A strong woman who possessed qualities we should all try to imitate. My mother cared deeply for everyone she knew, whether you were her family, friend or a member of the community. She was always willing to help someone in need. She had the kindest heart of anyone we knew. Her home was always filled with family and friends. All of our friends called her "Nana," because she was like a grandmother to everyone. Friends lived at our house, (usually invited by her), and they were always treated as if they were one of her own....even if that meant putting them in their place when they were wrong. Our family, friends, and community often tell us stories of how Nana has supported and encouraged them throughout their lives. She was a person so filled with light. Everyone knew her. Everyone loved her. Heaven has surely received a gift.

### Career

Mom loved to cook it was her passion, in fact Nana was known as the "Queen of Banana Pudding." She worked as a chef at The Book Cadillac Hotel in Detroit, Michigan until she hired at Chrysler Corporation in 1968. After serving 32 years at Chrysler Corporation mom happily retired and returned to cooking, loving her family, and being an active faithful member of her church First Church of Christ Scientist in Royal Oak, Michigan.
