“ Granddaughter(first one) : I miss you so much ma, words can't explain or describe. I miss everything about you. I was always with you day and night. You raised me. Thank you ma for raising and taking care of me. I took care of you when you were sick and I remember you crying saying why you and now you're not in so much pain. I'm glad about that but I do miss you dearly. I cry every night and day I miss you so much. I don't think your death is something I'll ever get over. I feel so empty inside. I love you yesterday I love you still and always and forever will. Rest peacefully ma, love Aray'a
