“ *Ms. Pat what a beautiful soul you are. Remember when you called me to come over for the first time and talk.....we been rocking every since.. remember when we checking each other's outfits out and found out we wore the same shoe size we had been shopping in our closets for each other but my favorite memory is the day we were talking about life and we ended up praying and having church right there in the living room and didn't care who was around.. forever grateful for our friendship forever my friend and now my angel. I love you Ms Pat! Hall and Reed Family are all in my prayers.*
