“ I am a Classmate of Patricia Wilburn Heard, we graduated in 1965 from Ethel W. Kight High School in, LaGrange, GA. I was devastated when I heard the passing of Patricia. I had been trying to contact Patricia, because we are celebrating our 55th class reunion this year. My classmates and I are grieving with Pat's family. No more sickness, and no more troubles of this world!

“ I always liked working with Pat when it came to things like preparing for movie night at our church, celebrating Angel Night, entertaining or just doing something special for people. She would always say, "I know I can always depend on you Vonnie." I am going to miss those special times. I would always ask about her four-legged companions and she would always say they are so bad. I would respond "bring them to church so we can lay hands on them." We would always have a good laugh about that. I cannot imagine not seeing you at Central. You just left us too soon. May God continuously comfort and bless your family.

While we may not know what to say or know exactly as you feel losing a loved one, we look forward to the time when words will fail to capture the joy of having our heavenly Father return your dear one to you.
