“ *Patrick I remember our last talk in your moms kitchen right before you graduated. I was so proud to hear about all your future plans and at that moment I knew you had become a man. I know you had big dreams and plans and were all sad that you didn't get a chance to share all that with us, but your love will forever live on within our hearts. I will always love you.*

*Love,  
Aunt/Cousin Angela Kimball*

“ Our Family chain has been broken nothing seems that same, I hope you know the times we hung out meant the world to me, No Holiday, Birthday, Family Celebration will EVER be the same The silly things you would say and do will not be there Deep down inside we connected like only Cousins do; Thank God memories live on, Even though we didn't say the formal words "I Love you!" We both knew what later meant.....until we meet in heaven. "Later!" Cuz RIP Love Joshua & Jordan Davidson
