“ *Hey, grandma, I miss you dearly. There is not one day that I go without thinking about you. You were my rock, grandma, but most of all you were my best friend. As I am typing this out, I can't help but think of the good times we had.*

*Like the time when we went to Wendy's. We were in the van listening to our favorite song; " I love you so, and I'm never going to let you go, holding on to your hands, but I'm going to trust you anyway because you love me and I love you too."*

*I cant wait to see you again and pick up right where we left off. I will forever remember you telling me that to always put God first, and I will. My family misses you. Danielle and Shennell pray and speak to you every day. My mom and dad remember and cherish all the good things you did for us. I will miss you so much and I can't wait to tell my kids and nieces and nephews about how great my beautiful grandma was. I love you so much and I will never forget you.*

*Your last grandson, with much love, Ronnell Taylor Jr*

“ Words could not ever express or do justice in speaking of Mama Pat! My family will forever treasure her in delightful memories and thoughts. Mama Pat was the TRUE EXAMPLE OF MOTHERHOOD! I would trust her with my life! Heaven has accepted her back and we will forever end grateful that God thought enough of us to share her with us for so long. Mama Pat has fought the good fight of Faith! To God be the Glory!

*Family, Peyton, CeCe and I are with you in prayer and Spirit. We are always just a phone call or door knock away. Love You Always, Sallie*

*We feels the same way as the Henderson Family does, I have so much  
to say, but don;t know where to start, but I rather not take up lots of  
space here, but I do agree with Louise Henderson, we were all very  
close nip families growing up next door to one another. Our Thoughts  
and Prayers, along with our Gracious Condolences go out to the Taylor  
family, Were always here for you all. R.I.P Patty, we'll always love you !
