“ Remembering Paul Simmons, Jr., whom I came to know as one of the most loyal and hardest working Knoxville College alums that I have met. KC and the Detroit Alumni Chapter were near and dear to him. While I was President of the Knoxville College National Alumni Association, 2004-2008, Paul was someone that I could depend upon to help bring the Detroit alumni along with our program and was definitely one that could be counted on. We will miss him. And, to the Family, I am so sorry that I cannot attend the services in person, but know that I will keep you in my prayers. May the God of all comfort keep you and give you peace as you think on the wonderful memories you have of Paul and the time you had with Him.

“ Paul, a loyal Alumnus of Knoxville College loved his Alma Mater. Listened to his testimonies at homecoming events and always willing to serve for the betterment of the college.. A winsome smile and spent time with all age groups. Want to know I share in your loss. Erma Jones, '65 Knoxville College Alum

Paul Simmons Jr. was a great humanitarian, a member of Omega Psi Phi Fraternity and a proud graduate of Knoxville College located in Knoxville, Tn. He surpassed what it means to be a giver and was rooted in his faith. He always had a smile on his face that would light up any dark room. I've known Paul ever since i was about 13 yrs. old and at that time became my big brother who always gave me good advice and taught me a lot about life. He will definitely be missed by those who knew him. Rest forever in heaven my dear brother!!
