“ *David & Lesleigh, I'm sorry to hear of the loss of your mother... although it has been quite some time since knowing Paula, I always think of how nice she was to my daughter, Candice without knowing her that well, only through my relationship with David but she embraced both of us and made us feel like family. My heart goes out to the both of you,*

“ *Paula and I were friends for over 25 years. After I retired and moved back to Indiana in 2003 we kept in contact by phone and cards at holidays and birthdays. She always had a great sense of humor and found some of the funniest cards and messages to send. I will miss our telephone chats and her stories about her cats. David and Leslie, she was so proud of you both, and your accomplishments. I will miss her deeply. You have my sympathy in the loss of your mother.*

“ *David & Leslie,*

*I would like you both to know how sorry I am for your loss. Your mother & I spent a great deal of time & energy talking about the two of you. She loved and wanted the best for both of you.*

*She was one of my dearest co-workers who I couldn't help but embrace as a friend. We worked many long hrs and managed to sneak in some joy as often as we could.*

*My fondest memories shared with your mother was sight seeing in the St Clair/Grosse Pte neighborhoods. We tried to get close to the houses off the water. One time we pulled into someone's driveway so that we could get a better view, low & behold behind us pulls up a Grosse Pte Police car. He kicked us out only to find us in another area. We saw him first, so we tried to duck down in the seat but we didn't realize the homeowner was home (\*\_\*) We laughed our behinds off all the way home!*

*May You Find Comfort In Knowing She Is At Peace Now,  
Sina*
