“ *I am Devastated to find that dear Purcy has passed away. I've been wondering why he had not responded to my letters this past year. Purcy was the best man at my wedding At the Washington national Cathedral. My Husband, J. Reilly Lewis, was a dear friend of his from Oberlin. Purcy called us every anniversary and when my husband tragically passed away in 2016 he was there for me in so many ways. He was One of the most blessed precious people I've ever known.  
My prayers are with his family.

*Agreed Beth Lewis...and I'm trying to figure out how to connect to his son...Dr Percy was a God father to me during my early 20s when my relationships with bio father was most volatile...Dr Percy and I connected from day one after I met him at an event for Detroit public schools and we talked almost the whole event and after, starting a great friendship...I also came upon this post after a few yrs of not receiving replies...God grant the highest reward to Dr. Percy in the after life ...Great Human being ...Peace to his soul..ongoing lessons to his seeds*

“ A great man of Faith and Godly Wisdom! Thank you for 40 years of friendship! You were the embodiment of Proverbs 18:24. "You shewed yourself to be friendly." Thank you for sharing, "Music of The Black Church." May God continue to Bless your memory!

“ *In addition to being a colleague of Percy's, I loved his radio show on gospel. He also shared his knowledge of the music with students in the former Weekend College. I hope someone has copies of his radio programs so we can continue enjoying and sharing them. Julie Thompson Klein, Wayne State University*
