“ *Our condolences to the family. It's never easy saying goodbye to a loved one, the pain of loss can be unbearable. Our creator promises that one day this pain will be a memory. That beautiful promise can be found in God's Word the Bible. Truly sorry for your loss.*

“ *Some of our family isn't blood but is chosen through our life's journey. While Uncle Phil and I were not blood related I been calling him Unc for last 30 plus years. He was a super strong brother who didn't mind sharing his challenges, failures and victories with you in efforts to make you a better man.*

*Loved, respected, and will always cherish the game that was given!*

*Rest up and see you when I get there.*
