“ *Jewell and Family,  
Healing moves at its own pace. Be kind to yourself and take it one day at a time. I know your heart is aching and I am truly sorry for your loss. May your memories of Phil bring you comfort and peace*

*All my thoughts and prayers.*

“ *Family, I know you're going through a difficult time right now. And you can be sure that God knows it, too. Sometimes we wonder why things like this happen. I don't have the answers,-but I do know this much.....God won't let you go through this by yourselves . He'll be with you all the way, may He continue to comfort you. And with each passing day lighten your sorrows. For our prayers are forever with you.*
