

Mrs. Phyllis Antoinette Gulley

February 6, 1949 - June 21, 2018

Phyllis Antoinette Hill Gulley:

Born to the union of Richard Henry Hill Sr. and Lois Rookard, Phyllis was the youngest of five children. Her parents, Richard and Lois, eldest sister Juanita Vivian Hill Andrews, and eldest brother Richard Henry Hill Jr. preceded her in death.

Phyllis worked at the City of Detroit's Planning and Development Department from 1996-2001 as a senior typist and administrative assistant.

During her employment with the city she gained many lifetime friendships. This is where she met and adopted her daughter Wanda Jackson, as they established a mother-daughter bond instantly. Phyllis also provided care for her disabled son Darnell, who was injured in a car accident in 1977.

Phyllis loved singing, dancing and spending time with her family and numerous friends. Her grandchildren provided her with an immeasurable sense of pride and joy. She traveled and experienced all this life had to offer and lived without regret.

Phyllis's health began to decline around January 2018 and she wanted to share her last days with her family and close friends, she welcomed everyone to visit and spend time with her. While helping Phyllis breathe to get her

oxygen levels up, Melanie, Wanda and Antoinette would say, "smell the roses blow out the candle" repeatedly until her levels were at an acceptable level for her.

Phyllis was a daughter, a sister, a wife, a mother, an auntie, a cousin, a friend who was devoted, who was generous, who was compassionate, who was unwavering and courageous, who was protective, she was comfort to so many of us, she was our loved one and she will be missed.
