

## Mrs. Phyllis Elaine Parker

November 21, 1951 - May 27, 2016

In Remembrance Of Our Beloved:

Phyllis Elaine Parker, my beloved wife was born November 22, 1951 in Pence Springs, West Virginia to George and Audrey Simms. She was educated in the West Virginia public school systems and graduated from Trap Hill High School in Surveyor, WV. After several years of employment at Richmond Cleaners in Beckley, WV she migrated to Detroit, MI. Not long afterwards she met the love of her life, Gilbert Parker, III. They were united in holy matrimony and had a marriage mostly of fun and laughter.

She was employed with Heartland as a CNA for 21 years where she enjoyed caring for the patients. One of her greatest joys was traveling to West Virginia to spend a vacation with her siblings, nieces, and nephews because we've always had so much fun being together. When having a phone conversation with her siblings she would always end the conversation with "I love you so much."

After a long and hard fought battle, Phyllis succumbed to illness, departing this life on May 30, 2016.
