“ I met lil Pierre when he was just a little more than one year old. I was about to turn 12 when my father married his mother September 7, 1968! John and Jeanette were wed and we became a blended family of 11 children.

I remember Pierre, Douglas, and Rosalyn as my little brothers and sisters - I was proud to be a new big sister. It gave me pleasure to shower them with love and gifts when I begin working!

I remember Pierre and Douglas wrestling with each other and having fun together as little boys do. He had a contagious smile and was happy growing up.

The last words I heard from my brother was “pray for me,” and I assured him he was always in my prayers! He encouraged me on my last message on Griggs St. He played faithfully and skillfully as before on that day!

No more suffering in this present world - I pray to see you later! I love you my brother, Pierre.

My deep sympathy and prayers to my parents, nieces, nephews, grands, siblings and everyone who loved him. Darlene and Johnnie Mumford

“ We will miss seeing Pierre in the ER. He was a favorite to many of us nurses! I will miss hearing about his grandkids. He loved them so much. It's sad there won't be a “see you next time”.
