“ *Portia you were my inspiration the very 1st day I met you. I saw a fire for success in you that I wanted, and you mentored me into the same fire. It's because of you I became a nurse, it's because of you that I am 9 credits away from my masters in Psychology. I salute you, I thank you I will forever love and miss you. You were a great boss, a wonderful mentor an even greater friend.
