“ To my dearest father! I thank you for life today! No matter what anyone says or thinks of you, you are the best Dad a girl could have! You was a good father and provider, a King who deserves a crown. You endured alot of heartaches and pain throughout your life and I am sorry! I understood the difference between an addict and a mentally ill person! I love you with all of me! I am proud to be your daughter. No one credited you for all the great things you have done in your life, the fact that you were an amazing father, Artist, dancer, singer, and most importantly a strong man! If I could turn back the hands of time you would be here in the South with mme and your grandkids living your best life but God had other plans for you! I will never forget you! I love Daddy! Rest well my love sincerely Your Foehead

“ *May you find peace during this difficult time as you reflect on how caring our heavenly father is towards those who mourn as well as the hope he extends to all. (Rev 21:4) I am so very sorry for your loss.*
