“ I miss you so much , you are always on my mind and I still can't fully accept what has happened. My mind can reason and understand this is God's plan , my heart however, is not there yet .Being a part of your life had been one of my greatest gifts in this life and your willingness to always accept me at my best and my worst will always be something I will miss .Your humor , wisdom and knowledge was legendary and your love of being right was the subject of so many debates .Ad hardheaded as you were , you were as equally as softhearted for those you loved and I will be forever thankful to have had you in my life .I wish I had the opportunity to have you in my life for many more years but you will live in my heart forever .I will miss you the rest of my days and you will always have my heart .xoxo . Love you Natasha
