“ We'd talk on the phone for hours. He'd always try to keep you uplifted, strengthened, encouraged, and say a bunch of positive things. And he'd always, ALWAYS have something to say about God. That is one thing that he would not do, is get off the phone, or in person without mentioning God. He showed you he loved you, and he was show nough gone look out for you in anyway he can, and if he couldn't... He'd find a way. He was definitely... Man with this one right here... This is a hard one. Prince, you was a Sweetheart, because you came from The Best cuz. Love you.
