“ To the family of Prince. Tim and I send are condolences.

*And one of the things I will miss about Prince, playing cards; "bid wit," with him. When he made a Boston he would always tap the table with his elbow and laid his arm down straight. Which meant, yeah I did it. He will truly be missed.*

“ Prince was the "life of the party"! He will truly be missed but forever embedded in our hearts. Gone too soon. RIP

“ My condolences go out to you and your family. I know losing a loved one can be difficult, which is why it's so important to lean on the God of all comfort as mentioned at 2Corinthians 1:3,4. I hope my words were of some encouragement.
