“ *Please extend our condolences to the family.  
Words cannot express the sorrow we feel when a close family bond is broken by death. May your faith in God's promise to see our love ones again help you to endure this time of sorrow.  
With warm thoughts and prayers.*

“ *I am at a loss for adequate words to express my grief for you both. I had the blessed opportunity of knowing your mother and I know heaven just received one of its most special Angel's. Your mother always spoke about both of you with utmost love and affection. Her family meant the world to her. She was truly a amazing woman and will be deeply missed. Sending my heartfelt sympathies to you both and your entire family.  
Love Miya 💕💕💕💕*
