“ My family is special, unique, loving, supportive and the greatest gift I have ever had. I literally grew up with my entire family. I cherish them all because they all brought happiness, comfort and a sense of true family values in such a traditional African American way. We are a true family and we stand to the end. Ralph was a pillar of that tradition that I saw our grandfather and uncles be. For our generation of cousins growing up he was the family’s baby. He jumped right in there and grew up to be a great man, father and husband. He will be missed tremendously and I send my love and condolences to Denise, Yvette and Kendra.
