

Mr. Ramell Williams

October 20, 1971 - July 26, 2015

The Life Of Ramell Williams:

Ramell was born to Willie James Williams and Pearl Ethel Williams on October 20, 1971 in Detroit, Michigan. He is the youngest of nine children.

He attended Redford High School in Detroit, Michigan. Ramell was affectionately known as "Mel" and treated by all of his siblings as the baby of the family.

He knew that being a father to his two children was very important and he deeply loved Courtney and Nicholas.

As with all Williams young men he enjoyed the outdoors, hunting on the weekend with his father and brothers these memories he carried with him his entire life.

Ramell worked with his father and two brothers at their family owned construction business for many years, learning not only the principles of running a business but also how to be a loyal friend and family member. He later decided to expand his talents to the mortgage and real estate field never forgetting the foundation that was laid working with his father and brothers.

He later moved to Texas, furthering his career working for Keller Williams

forging lifelong bonds of friendship that helped him during his illness.

Ramell had a smile and personality that attracted many people to him, establishing friends from childhood to adulthood from Detroit to Texas that never left him; true friends that he could call on at a moment's notice and they would be there for him.

He loved his parents, his brothers and sisters and his children and he knew that they loved him.

“ *I worked with Ramell for close to 5 years. He used to jokingly call me his "work wife". This was a man who would just light up a room with his smile, and he was easily one of the single most genuine people I've ever had the pleasure of knowing. His easy going spirit, and his love for others was what he leaves behind as a gift to those of us who knew and cared for him.*

I miss you so much, my friend. Hardly a day goes by since we lost you that I don't walk past your office (it's still just as you left it) and cry.

We love you.

“ *I have known Ramell for over ten years. He is a brother to me. He always knew how to put a smile on everyone's face. He would light up a room when he walked into it. He will be greatly missed by me and my family. RIH.*

“ *I have known Ramell since junior high (Murphy Middle School). Because of our last names, we always sat next to each other. Which meant....I would always get caught laughing at something he said! His sense of humor carried all the way over to high school and all I could say was..."that boy is a nut". I loved his comedic spirit and appreciated him as a friend. I hadn't seen him in a few years but I know he was still the same "nut" we all loved! I pray for his family and wish them strength during this time of grief.*
