“ *Randell my BFF. Gosh it's almost been a year since you've passed away. Unfortunately, I didn't know you had left this world until I stumbled across a post on Frisco's Facebook page..last September. We had not talked in a few months prior to your death, but that wasn't uncommon for us! 😊 We'd been friends for 34 years. I recall we met through Delancie. After he went to the military, we remained friends and had so much fun down through the years. I was there for all your weddings and you shared in my special wedding day as well.. So many memories come to mind... hanging out with Frisco was always in the mix. I just can't believe you both are gone, but together now. We missed Frisco's presence at your last reception and shared some tears as we looked at his empty seat at your head table. Boy oh boy!!! I miss you so much.. I'm so glad I found this page so I could write this message. A few months before you passed away, I was trying to find you a new boo 😊 You know I was your #1 Matchmaker.... you'd always say, "where are the Honey's". Thinking about how we hung out with Darryl Davis and many others....just clowning around!! Well I must stop here..I didn't attend your funeral, but you'll ALWAYS be in my ❤️ forever!!! “ *Ran and I grew up on Ilene and were best friends and next door neighbors. He was my oldest living friend - we knew each other since we were four years old. We weren't close as adults and didn't really communicate. I last saw him a couple of years ago and it did my heart good. Words cannot express my sorrow. Ms Pearl and family please know you are in my thoughts and prayers. Delancie /Lanck*

“ *Pearl: This is the hardest time to find the right words to say. Your heart is heavy and as of now, there are really no right words to ease the pain that you and your family feel at this time. I offer my heartfelt sympathy.*

“ *I have known Rand since I was 15 years old. He was not a person that I spoke to everyday but he was still my friend. He taught me how to drive and gave me lessons for \$10.00 per day. Where can you get driving lessons for that price, even 30 years ago? Later in life he married my best friend Stella and was a great dad to my niece Ariel. Rand's life was purposeful and I appreciate the defining moments that we had that showed me that. He will be missed. May God and His holy countenance receive you with open arms my friend.*
