

Mr. Randolph Davis

May 8, 1955 - February 25, 2017

In Remembrance Of Our Beloved Randolph Davis:

Randolph (Randy) Davis was born on May 8, 1955 in Covington, Tennessee to the late Louis T. Bond and Mary Davis. Randolph accepted Christ at an early age and was baptized at Mount Zion Baptist Church.

Randolph began his schooling at Frazier Elementary School in Covington. When his family moved to Detroit, Michigan, he attended Northwestern High School where he graduated on June 15, 1973.

Randolph was employed with Daimler Chrysler Corporation for 36 years as an assembly line worker and as a hi-lo driver until his retirement in June of 2009.

He was a very generous and kind hearted individual, always willing to give his time, energy and money when called upon.

He enjoyed playing cards and the lottery, hoping to hit the big jackpot! He enjoyed most of all having a can of cold beer at his side.

Randolph slipped quietly from this world on Saturday evening, February 25, 2017 at Rockford Memorial Hospital after a battle with lung cancer.

“ *Hi, my name is Charlynn Thomas-Smith, and my little brother Randale Thomas-Davis. If there is any family out there, my family and I really need to speak to you guys. Randy raised my brother and I as his own and I was born on his birthday May 8th 1999. We visited him every month and February happened to be the last month they we visited him. We are just now finding out about his death. I tried visiting him last month and this month but every time I went by, his car wasn't there. We talked about everything, literally. But he never once told me he was sick. We really would like to speak with his family. When you can could you PLEASE contact me. You can find us on Facebook at Charr Montoya, my brother at Randale Thomas-Davis and my mother at Anetra Castleman. PLEASE PLEASE contact us if you can. It would really mean a ton. We are terribly sorry for this tremendous loss. We're just as devastated.*
