Islam my beloved brother Randy i truly will miss our daily talks that meant the world to us because we where able to breath the life of understanding into our minds eyes i was always at u to give u understanding on how to go about the struggles of life but really like i told u i always look up to u especially when we where young u was so confident n intelligent about how we live life it was u who brought us together so ill continue to keep u alive in my third eye u are my brother now go n continue ur journey on another plan until u find complete unfoldment backnot only with our love ones who departed before us because we solving problem there as well as here may u find the peace in knowing ur Queen mother is near for u are now in Allah hands for He is the best of planner.
