“ We would talk and text on the phone, but we never meet. She was a kind person to me. When I would come to town, I would try to see her but she would be working. I will truly miss her. I will cherish the photos and videos she sent. I will miss you Nana aka "Red Snapper!"

“ Raitha remarkable woman, whose life was a testament to love, strength, and grace. Her kindness touched everyone she met, and her unwavering support and compassion left a lasting impact on those around her. She was a devoted mother, grandmother a loving friend, and a pillar of the dialysis community. Her laughter, wisdom, and gentle spirit will be deeply missed but never forgotten. As we reflect on her legacy, let us find comfort in the cherished memories we hold and the lessons she imparted. May her soul rest in peace, and may her light continue to guide us.

“ We work together for approximately 30 years. You were a loyal and dedicated employee who always had my back. I am thankful and grateful to your grandmother who told you to always stay with me. May God provide your family the strength and courage to endure. Your faith was always strong and may you rest in heaven. You will always live in my heart.
