“ We laughed, we joked at so many things as we worked together at the Priority Mail Center. You would drive up on the bug or high-low and say Renee , where is the coffee and I would tell you hold on its coming. Also you were a very special friend of my companion (Danny) as he spoke so highly of you towards his last days in Annapolis hospital when you came so often to see him keeping a smile on his face. May the grace of God cover you with his loving arms and my strong condolences to your family. Renee Harris (Former Co-Worker at the P1)
