“ *My condolences to the Whitt family. I really enjoyed working with him and helping him to excel at baseball. He loved the sport and was very competitive. he didn't like losing and always gave his best. I cannot imagine your grief and my heart aches for you. I pray that you have to strength to move forward but I know he'll always be in your heart and memory.*

“ *Marilyn, my heart is saddened by the loss of your grandson and my thoughts and prayers are with you and your family during this your time of sorrow. *I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. May God's amazing grace continue to sustain you all today and always.*

“ Renee. My heart is broken for you. I am so sorry for your loss. I can't even begin to imagine. I pray for you to have strength to live with your broken heart. As experience has taught me, you will never understand why and your heart will never mend. BUT, you will learn to live with your grief. Again, I am so very sorry for you and your family. My thoughts and prayers are with you. Love to all, Amy Thompson (work)
