“ My condolences to the family. My heartfelt prayers are with you in this moment of sorrow. Ray and I worked together for many years at Technicolor. Everyone who came in contact with him instantly took a liking to him. Ray was like the little brother that I never had. He and I would talk sometimes for an hour about life and many other topics. I'm deeply saddened to know that my little brother left this earth without me saying goodbye. The one thing we did say at the end of every phone conversation was I love bro. He the most generous person I've ever met. Truly I will miss you and my life will never be the same. Rest up little bro. ☐ Your big bro Jerome.
