“ Daddii it's been 10 years without you man and I know you know that not a day goes by without you on my mind. I thought we would most definitely grow old together and still be sitting on the porch having our talks until we both just literally started yawning lol. I miss our talks and you always being there for me through any and everything. No matter what is was man, you made sure your son was straight. You would read me all the way there, but you made sure I knew it was because you really love me. I've never felt that again since you left. You will forever be my guardian angel and I will never ever forget you because you live in me. I love you so much. Continue watching over me man. See you later

“ Reggie it's been over a year and you're still dearly missed. I can still hear your voice and your words, I can hear all of your sarcasm and I just laugh. You will always be missed.
