“ *Reggie,*

Today, March 19, 2016 marks one year ago, that you left us.....I am still in disbelief as I was when all of this was happening.....I prayed and hoped that God would

bring you through all that you were experiencing but, instead of you coming back this way, you went to sleep in Christ.....I was there at the hospital with you Thursday, March 19, 2015 and I even had prayer with you and, I remember that I left around 6:30 p.m.,, not knowing that that

would be my last time seeing you alive.....Your niece, Ki-Ki and dad were also with you in the room.

Between 11:00 p.m.-11:30 p.m.that evening, I received a call from your brother that you slipped away from us.....It still amazes me as to how things took a strange turn of events..... You went to hospice only for one day and it was like you made up your mind that you wouldn't be there long.....and you checked out the first day..... Your birthday is

Dec. 19th.....and you left us, March 19th.....strange coincidences..... You were my family

and just like my natural brother.....We miss you dearly.....
