“ *Renaldo Humbles is a lifetime friend and long considered family to the family of the Patton's. His beautiful mother Joyce took care of my brothers and myself when we were very young. We looked up to his brother Robert, and Renaldo as they were older than we were. Renaldo was closer in age, and we shared many good times here in Detroit. My mother and Renaldo would keep in touch over the years. We would get some reports of when he came to town and when he had some life challenges. So sorry to hear of his passing. I will always remember my brother and his witty personality. May God rest his soul and bless his wife and family with peace that surpasses all understanding. In the mighty name of Jesus I pray! Amen.*
