“ *Ms. Renee Smith was a valued member of Provider's Place, an organization for childcare providers in Detroit. We are so heartbroken at her loss. She truly cared about the well-being of the children she served and giving them a strong start in life. Her death is a great loss to the children in her care. I visited her at her center in January and could see the care and concern she had for her children. Our condolences to the family. Sincerely, The Members of Providers Place and Community Connections Grant Program*
