“ *Nana was my best friend at Southwestern High School. Later, I was blessed to work with her at Hughes & Hatchers. If Nana thought it, she said it out loud. She was honest and fearless. And funny, oh so very funny. I love you, Nana.*

“ *I knew Renee briefly from Blue Care Network. She had a passionate, firecracker personality, which I loved! You could tell she cared about the union and the people she worked with. So sad to hear the news of her untimely passing. Prayers to her family.*

“ I met Renee as the Chair Person of the UAW for Blue Care Network. She was amazing. She and I often sat on opposite sides of the table on issues, but I respected her greatly. Her passion for her job, for the employees and for life was so evident in everything she did. I liked her. She was very funny and very genuine. I was shocked to hear of her passing and though we'd lost touch after I left the company, I've never forgotten her.

*I'd like to offer my sincere condolences to her family. She's too young to have left. But I hope that you'll all find peace in your hearts after her passing.*

*Sincerely,*
