“ *There is a saying by Thomas Bailey Aldrich that describes Rennell, "What is lovely never dies, but passes into other loveliness." I had the privilege and honor of knowing her for over 20 years. She was the sister I never had and will never forget her smile and wisdom. My prayers and thoughts are with her family. With Sympathy, Renee Chown & Family*

“ *Living next door to you always held special memories of our aching hearts to be filled with love, our late night talks regarding cares and woes, and the cooking taste tests we had our mothers and daughters -- and the list goes on. You definitely had a rare beauty from inside out. I will miss you my friend. I will cherish our good times, and may you rest in peace until we see each other again.*

“ *Rennell was one of the most caring persons I have ever known. She was my anchor at Baker College and she was my buddy too. I offered morning Mass this morning for my dear friend. Her incessant humor will have all the heavenly spirits laughing.*

“ I grew up with Rennell and Renee. We went to school together and were friends until I moved. When I came back I wondered about them. This is not how I hoped to reunite with them. You are in my earnest and sincere prayers.

“ I am truly saddened by the passing of Rennell. She was such an inspiration to me as I began my career at Baker College. She "showed me the ropes" and I will be forever grateful for her wisdom and expertise. I was able to spend a few moments with Rennell recently when she was in the hospital. I am so glad that I took that time to let her know that she meant so much to me and my career. I will forever carry her legacy of excellence in education. My heart breaks from her passing but I know she is resting well and suffers no more. Rennell will truly be missed. I will continue to pray for the peace of her family in this difficult time.

Sweet Ms. Rice...I miss the phone calls from you asking for help after your class, however I have the memory of you telling me "I love you Alicia, I'm always happy when you answer the phone". Those words mean so much to me and I will hold them close to my heart. I love you Ms. Rice.
