“ *My Memory*

To The Family: My heart is broken with the passing of my beautiful friend and sister Retha. In pass time Retha and I shared so much of our life experiences with each other. Once we belonged to the same ministry. We also belonged to a prayer group where we went from house to house once a week and sought the LORD. When the Most High moved in my heart to start pastoring, Retha was one of the first members, where she co-pastored and was our treasurer. We traveled to Georgia a couple of times and ran revivals, and in route to Georgia we stopped in Tennessee and ministered to saints that had moved there from Detroit. Early on in our life we even tried to get together a singing group because Retha and I both loved to sing. We talked in September of this year and vowed that we would get together when this pandemic was over. She was such a beautiful person and I loved her as much as I love my blood sister.

*My prayers are with all of you,

“ *My Sister and Friend and Woman of God. You are singing unto the Lord now and I will truly miss you. When I met you from Greater Faith Cathedral God knew who to cement our friendship and sisterhood with. My family loved you. Now you will see my mother and father and my brother Troy. I will always treasure our friendship and love. Heaven rejoices. Sister Janice Kennerly from Tennessee.*
