“ *To the Windom Family:*

I have known Henry for more than 30 years. Our paths crossed back in high school. I still can remember him on "The Scene". Every time I saw Henry we always laughed about that. I am sorry that I was not there for Henry's homegoing, but I am still praying for you. Henry touched so many lives. What a blessing to have known Henry! I can only imagine the conversations that Henry and Dr. Sampson are having with Jesus! May you feel the love and comfort of God! Blessings to you.##imported-begin##Minister Jennifer Ellison##imported-end##

“ *Oh Holly, my beautiful sister in law, what a wonderful example of love you and Henry are, and how lucky you both were to have loved each other, even if for a short time, way too short. I am sad for not having Henry here on earth for a longer time. It is a loss felt deeply and truly. Love Kristen##imported-begin##Kristen Rowe##imported-end##*

“ *To Holly & Family*

Henry was a friend to me for 28years, I know that there are no words to express how I feel, he will be missed, his laughter and smile. I pray that God will keep you and your family under His wings. I pray especially for you Holly and his Son, the coming days are going to be lonely and sometimes difficult, but with God all things are possible. We do have hope that we will have a reunion one day with Henry.

May God keep you and bless you

Your Sister In Christ
