“ Granddaddy, It's truly difficult to let you go. But I will because the Lord told me so. I had a fit and shed an abundance of tears. That's when the Lord spoke to me and said that you belong to Him; That He had lended you to me for thirty-three years. Forever I'll cherish my precious memories of you. I'll keep in mind all of the advice that you have given me too. Although my heart is aching because you're not physically here with me.  
I know that your heart has rejoiced because now you are free  
Love you for an eternity-Tamiko###imported-begin###Tamiko Cannon-Davis###imported-end##

“ Granddaddy, although it's hard not to be sad, I can rjoice in knowing that you are with God. There's no more sorrow or pain. I love you so much! I remember you picking me up as a little girl in the RV and us having coffee and grapes. It warmed my heart knowing that for so many years you still kept a picture of me in your wallet. I'll keep a watch over my dad for you! On the outside he's strong, but you and I know the truth.  
  
I love you!###imported-begin###Traci Cannon-Romo###imported-end##

“ *A Grandfather Just Like You*

*I just want to let you know  
You mean the world to me  
Only a heart as dear as yours  
Would give so unselfishly*

*The many things you've done  
All the times that you were there  
Help me know deep inside  
How much you really care*

*Even though I might not say  
I appreciate all you do  
Richly blessed is how I feel  
Having a Grandfather just like you*

*Love You!

“ Granddaddy, It so hard to finally come to this day to say Good-Bye. I miss you so much and I'm going to remember the talks we use to have, the trips that we took and the secrets that we shared. you told me that "Everything is going to be all right" and I trust and believe that it will be because you told me that. Bright eyes will miss you and Ronald will make sure he keeps some money in his bill fold. And your "boss lady" I'm going to take care of her cause she took care of you! I love you Granddaddy!
